My comments on the Draft EIR/EIS are:

*The Mid-County Parkway Project is an excellent idea; however, what happens to all the traffic once it gets to I-15? There are major challenges with SR91 through Corona as well as the N.B. I-15 to the W.B. SR91. The western extension of the MCP west of I-15 needs to be concurrent with the MCP. And, even with that, SR91 west of I-15 needs to be widened or elevated.*
