I/we, the undersigned, are homeowners in the City of Moreno Valley at the address listed below. We want to make sure that the World Logistics Center has as little impact on our neighborhood as possible. We ask that you incorporate the following mitigation measures:

- Please require a 100 foot wide greenbelt area between the residential neighborhoods and the World Logistics Center buildings or streets.

*No Truck Traffic on Redland or Cactus Blvd.  
2) Subs for Americans.
