Subject: Your email to RCTC website re: Mid County Parkway EIR

Good Morning,

I received your email requesting a copy of the draft EIR for the proposed Mid County Parkway project. It is huge—two very large volumes. It is available for viewing on the project website (www.midcountyparkway.org) and hard copies are available for viewing at RCTC, Caltrans in San Bernardino, as well as the public libraries in Perris, San Jacinto and Moreno Valley.

Sincerely,

Cathy Bechtel
